

Creed

We believe in God the Creator,
who created and is creating everything in the Universe:
the world the plants and animals, each of us, unique, persons beloved of God.

We believe in God the Christ,
who saved and is saving everything:
the world the plants and animals, each of us, unique, persons beloved by the Christ.

We Believe in God the Holy Spirit,
who guided us and is guiding everything:
the world the plants and animals, each of us, unique, persons beloved of the Holy Spirit.
Among us and working in our lives.

We believe that this one God in three persons,
is present among us,
working directly in our lives,
touching everyone,
never rejecting any who willingly receive this freely given offered gift of love and grace and
eternal life, in harmony with all creation
and with God.
Amen.
